Memo:

The existing practise in all the Districts except Kolar is, to deduct from the total Kandayam or Ryotwari Revenue, the amount of remissions granted under the rules as shewn in the × margin, as also the Irrigation cess merged in the wet and garden assessment on Ryotwari holdings and to bring the balance alone on the Demand Side. In the Kolar District, however, the total Kandayam of

× 1. Assessment on waste lands in the unsurveyed talukas given to Patels as temporary remuneration.
2. Assessment on certain Buradi, Dasavandam & Inam lands not dealt with by the Survey Department.
3. 1/4 th assessment on lands below private tanks.
4. Assessment on lands under breached tanks.
5. Remissions on account of Shunaya lands.

Ryotwari holdings
minus the irrigation cess
merged therein is shewn
as 'Demand', and the
remissions allowed under
the rules are exhibited
under the head 'Remissions'.
~~for the purpose~~. In the
Abstracts prepared in
this office for the Dassera
Speech &c., the total
Kandayam minus Irrigation
cess is exhibited on the
Demand side, as is done
by the Deputy Commissioner
of Kolar, and the remissions
granted whether under
the rules or on account
of deaths, desertions,
poverty &c, are shewn
under the head 'Remissions'.

2. Having regard
to the fact that the

remissions granted under the rules should not be lost sight of and considering it desirable to secure uniformity in the preparation of accounts, the accompanying Circular, No 5959-65 of the 18th August 1091 (1091 109) was also issued to the Deputy Commissioners of Districts ~~except Kolar~~, (except Kolar, to whom the Circular was sent for information), requesting them to exhibit the total Kundayam of lands under the head 'Demand' and show all remissions separately.

3. The remissions sanctioned on account

of deaths, desertions &c.

of Ryots are always
shewn in the District
Returns under Remissions
and are not deducted
from the Demand.
